C O R P O R A T E B E N E F I T S

MicroAge offers you **SmartPlan**, the service and protection you need in the event of a hardware failure. The protection offered under **SmartPlan** is among the most dependable and comprehensive available, offering coverage above and beyond that of the manufacturer. **SmartPlan** provides protection for up to 5 years for notebooks, desktops and peripherals. Whether you lease or buy, MicroAge has a plan to meet your specific business needs.

SmartPlan Benefits:

Ease and Convenience

- Hassle-free support in the event of product failure
- 3 easy and convenient ways to obtain service in Canada.
- OnSite service for desktop computers
- Courier service for notebook computers
- Depot service – bring it in-store directly

Digital Lifeline™ Assistance

- Live telephone support - 24 hours, 7 days a week, 365 days a year
- Digital Lifeline™ Assistance helps solve any problems quickly with a self-serve web database, e-chat, and, with your permission, 'live' remote access to your PC by one of our highly qualified professionals for support online, quickly and efficiently
- Digital Lifeline™ Assistance is included as part of your SmartPlan at no charge to you on any desktop or notebook (not applicable on Apple products)

Budget Protection

- Protect against costly repair expenses for up to 5 years
- Protect against future inflation of costs associated with labour and parts replacements
